

Feedback from Exhibitors

Ann Baker

It is always a pleasure to exhibit at Boston Spa Arts Exhibition. The cost is very reasonable and the convenient additional parking for the exhibitors is a real bonus.

Because the Festival is well organised and advertised, it generates good local awareness and much public support. Happy Exhibitors and a well organised team help to create a really friendly atmosphere, which the public clearly enjoy and are major influences in them returning year after year to support the Arts Festival. As an exhibitor, it is a pleasure to be associated with such a well run and successful event.

Great exhibition, well planned and a huge variety of work on show well worth a visit.

Over the years the Festival has grown from strength to strength, the quality of craft and artwork is always excellent but somehow this was excelled in 2015. I feel proud to have been a part of it. The layout felt more spacious, less is more. The public support this event, and have plenty of compliments to hand out. It's good that it's held on the same weekend for recognition sake.
